

Practitioner Managed Prescription Drug Plan (PMPDP)

All drugs listed below were evaluated by the Health Resources Commission (HRC) using an evidence based review process. HRC identified drugs of similar or superior benefit when used as the initial treatment for the majority of patients. DHS limited the list of identified drugs to the most cost effective. Therapeutic prior authorization (PA) requirements still apply to drugs listed in the PDL classes (OAR 410210040).

Note: () This drug represents the benchmark drug for the class.**

ALZHEIMER'S DRUGS:

- (**)Aricept
- Namenda

ACE INHIBITORS:

- (**)enalapril (generic)
- benzepril (generic)
- benzeprilHCTZ (generic)
- captopril (generic)
- captoprilHCTZ (generic)
- enalaprilHCTZ(generic)
- lisinopril (generic)
- lisinoprilHCTZ (generic)

ANGIOTENSIN II RECEPTOR ANTAGONISTS:

- (**)Cozaar
- Avalide
- Avapro
- Atacand
- Atacand HCT
- Benicar
- Benicar HCT
- Diovan
- Diovan HCT
- Hyzaar
- Micardis
- Micardis HCT

BETABLOCKERS:

- (**) metoprolol succinate (generic)
- acebutolol (generic)
- atenolol (generic)
- labetolol (generic)
- metoprolol tartrate (generic)
- nadolol (generic)
- pindolol (generic)
- propranolol (generic)

CALCIUM CHANNEL BLOCKERS:

- Dihydropyridines:
- (**) amlodipine (generic)
- nifedipine (generic)
- nifedipine (generic)
- Sular

NonDihydropyridines:

- (**)verapamil SR (AB generic for Isoptin SR)
- diltiazem IR (generic)
- verapamil IR (generic)

ESTROGENS:

- (**) estradiol (generic)
- Transdermal Products
- (**) estradiol patch (generic)
- Alora
- Climara Pro
- Estraderm
- Menostar
- Vivelle, Vivelle-Dot
- Vaginal Products
- (**) Vagifem
- Estring
- Premarin

HYPOGLYCEMICS, ORAL:

- (**) glyburide (generic)
- glimepiride (generic)
- glipizide (generic)

INHALED CORTICOSTEROIDS:

- Low/Medium potency
- (**) QVAR
- Aerobid, AerobidM
- Azmacort
- High potency
- (**) Asmanex
- Flovent
- For children <8 and unable to use inhaler:
- Pulmicort Respules

NEWER ANTIEMETIS:

- (**) ondansetron (generic)
- Emend (add on therapy only)

NON-SEDATING ANTIHISTAMINES:

- (**) loratidine (generic)

NONSTEROIDAL ANTIINFLAMMATORY DRUGS:

- (**) diclofenac sodium (generic)
- ibuprofen (generic)
- indomethacin (generic)
- fluriprofen (generic)
- ketoprofen (generic)
- meloxicam (generic)
- naproxen (generic)
- naproxen sodium (generic)
- piroxicam (generic)

OPIOIDS, LONGACTING:

- (**) LA morphine sulfate (generic)
- Kadian
- levorphanol (generic)
- methadone (generic)
- Oramorph SR

OVERACTIVE BLADDER DRUGS:

- (**) Oxybutynin (tablets and liquid)

PROTON PUMP INHIBITORS:

- (**)Prilosec OTC
- Zegrid packets

SKELETAL MUSCLE RELAXANTS:

- Antispasmodics for chronic neurological conditions:
- (**) baclofen (generic)
- tizanidine (generic)

Acute/chronic musculoskeletal spasms:

- (**) cyclobenzaprine (generic)

STATINS:

- Low/Medium Potency
- (**) lovastatin (generic)
- pravastatin (generic)
- High Potency
- simvastatin (generic)

TRIPTAN DRUGS:

- (**) Relpax
- Amerge
- Axert
- Imitrex
- Maxalt, Maxalt MLT
- Zomig, Zomig ZMT

Nasal

- (**) Zomig
- Imitrex

Subcutaneous:

- (**) Imitrex

THIAZOLIDINEDINES:

- (**) Avandia
- Actos
