

PHI LAMBDA SIGMA: APPLICATION DEADLINE EXTENSION

The Phi Lambda Sigma Honorary Leadership Society application deadline has been extended until **5 p.m. on April 7th**. Phi Lambda Sigma is a highly regarded, nationally recognized society (see below for more info). If you are interested in applying, please fill out this application and submit it electronically to traverr@ohsu.edu. Members will be selected by a committee based on a point system that gives points for every leadership position held, conference attended, awards and honors, and other involvement.

Please note:

- Only include experience since admission into the college
- There is a one-time only \$90 lifetime membership fee
- An initiation ceremony and banquet will be held in the Spring

Phi Lambda Sigma is a national pharmacy leadership organization. It is an honorary organization that is complimentary to Rho Chi in that it honors leadership, while Rho Chi honors scholastic achievement. Members are selected by application and by peer recognition. This organization is nationally recognized and is highly regarded within the pharmacy community.

The goals of Phi Lambda Sigma are to:

- Ensure the continuing availability of student and practitioner leaders for the profession of pharmacy
- Acknowledge leadership achievement and award membership to leaders recommended by the Society
- Enhance the talent, skill, and effectiveness of leaders for the profession of pharmacy
- Develop and deliver programs, services, and resources to sustain leadership commitment

This chapter was reactivated last year, so members will have the unique opportunity to further develop the chapter's community, service, and leadership activities. To be eligible for membership you must have completed 1 year of pharmacy school and have a cumulative GPA of at least 2.5.

UNIVERSITY OF UTAH: ALCOHOLISM & OTHER DRUG DEPENDENCIES

The University of Utah School on Alcoholism and Other Drug Dependencies Pharmacy Section is a great opportunity for students to learn about addiction, including addiction in the profession in an intensive, week-long experience. Attendees have the opportunity to attend open 12-step meetings held by the pharmacy section each day. This year's information is now posted at <http://uuhsc.utah.edu/uas/>. In the past years, student costs have been minimal through generous scholarships from the state Pharmacists Recovery Network (PRN) and funding from Student Executive Council. Please feel free to contact students who went last year if you have any questions about their experiences: Emily Boyanovsky (boyanove@onid.orst.edu), Matt Marceau (marceaum@onid.orst.edu) or Brandon Thoreson (thoresob@onid.orst.edu). Please email Sharon Shiraga at shiragas@onid.orst.edu by April 15th if you are interested in attending.

Check out our scholarship webpage for information on various scholarships available from companies and associations outside of the College of Pharmacy.

Take a look at the last e-Newsletter for great resources available to students on both the OSU and OHSU campuses.

CONGRATULATIONS!

Dr. Jessina McGregor, Assistant Professor for Pharmacy Practice, has been awarded one of two K12 awards from Oregon Scholars in Clinical Research (OSCR). Her proposal was entitled "Antimicrobial resistance surveillance to improve empiric therapy in outpatients." Dr. McGregor has received a grant as part of this award. Congratulations, Dr. McGregor!

Nicole Kent, Academic Advisor, College of Pharmacy, recently won the Best of Region Award for a presentation she gave at the 2008 Northwest Region 8 NACADA (National ACademic ADvising Association) conference in Vancouver. Her presentation titled "Reality Check: Advising Students OUT of a Major" was the clear favorite of conference participants. Nicole has been invited to present this talk at the 2008 National Conference in Chicago in October. Congratulations, Nicole!
