

## VOTES & FLOATS: NEW OSSP OFFICERS

On Friday, April 11th, Oregon State Student Pharmacists (OSSP) student elections took place on the Corvallis campus. Each spring, P1 students are elected to replace current P2 officers and committee members. Nearly every one of the fifteen available positions had more than one candidate running. Many P1s attended the elections and were eager to be involved with OSSP. These positions are vital for getting students involved with national pharmacy organization and community service events. Thanks to everyone who participated, provided root beer floats, and ran for an office.

Congratulations to the new 2009 OSSP Officers!

## KALEIDOSCOPE FUN

The College of Pharmacy hosted 18 high school students from the Kaleidoscope program on Saturday, April 26. With the help of some very impressive pharmacy students the event was a huge success. Crystal Cooper, Student Affairs Graduate Assistant for the COP, provided an introduction to careers in pharmacy practice. P1 students taught participants how to measure blood pressure and compound lip balm. Throughout the morning Kaleidoscope students learned about various aspects of pharmacy practice and what it takes to be a successful pharmacy student. A great deal of appreciation goes to the following P1 students: Meghan Allen, Coreen Anderson, Barisa Argo, John Bui, Thao Bui, Tien Khieu, Asmeret Kiflezghi, Minh Pham, Joyce Sugiyama, Kaity Sherve, Tony Tong, and Jenny Tran.
