

Oregon State University
College of Pharmacy

OFFICE OF CONTINUING PHARMACY EDUCATION

Mission

The mission of the Oregon State University College of Pharmacy Office of Continuing Pharmacy Education is to provide continuing pharmacy education that meets the educational and re-licensure needs of pharmacists, technicians, and interns to be able to apply the learned knowledge, skills, and attitudes to advance the practice of pharmacy through practice changes, providing inclusive, equitable care to all patients, and responding to statewide protocols.

Goals for CPE Programs and Activities

To meet its intended mission, the Oregon State University College of Pharmacy Office of CPE will:

1. Provide educational and re-licensure requirements for pharmacists, technicians, and interns
2. Advance the practice of pharmacy by encouraging pharmacists and technicians to employ changes in their practice setting
3. Advance the practice of pharmacy by promoting inclusive, equitable care
4. Advance the practice of pharmacy by responding to statewide protocols
