Agenda Item	Discussion	Decision/Follow-up
Review of Mission and Goals	Mission and Goals were reviewed and small changes were made in an effort to make them more specific.	
Review of Program Evaluations	Added questions to the evaluations asking participants to specify why they may have given a poor review. This will give us more information for future programming of things to avoid and continue to improve the programming provided by the College and its joint-providers.  Added an optional overall program evaluation asking about facility, organization, overall learning experience, and expectations met.	
Expansion of Online Continuing Education Courses	Pharmacogenetics CE program opportunity State-by-state expansion of contraceptives course Not currently pursuing joint accreditation – not cost effective	

The meeting was adjourned at 0:00pm
