Residency Program Director

Rebecca Castner, PharmD, BCACP, AAHIVP
Assistant Professor of Pharmacy Practice
OSU/OHSU College of Pharmacy

Dr. Castner is the Residency Program Director for the OSU/OHSU Family Medicine at Richmond ambulatory care residency program. Her practice and research interests include mental health, infectious disease treatment and prevention, outpatient antimicrobial stewardship, education theory and practice, and complementary and alternative medicine.

Residency Coordinator

Megan Viehmann, PharmD, BCACP
Lead Pharmacist
OHSU Family Medicine at Richmond

Dr. Viehmann is the Residency Coordinator for the OSU/OHSU Family Medicine at Richmond Ambulatory Care Residency Program. Practice interests include transitions of care, complex care coordination and improving medication adherence.

Residency Preceptors

Kristine Ethridge, PharmD
Pharmacist
OHSU Family Medicine at Richmond

Dr. Ethridge is the Pharmacist in Charge for the OSU/OHSU FMR Pharmacy. Her practice interests include addiction treatment and mental health.

Megan Herink, PharmD, BCPS
Assistant Professor
OSU/OHSU College of Pharmacy

Dr. Herink is Clinical Faculty at the OSU/OHSU College of Pharmacy, and works with the DURM program. Her practice is in family medicine, and her research interests include medication management in primary care, chronic disease management, and transitions of care.

Deanna Moretz, PharmD, BCPS
DURM Clinical Specialist
OSU/OHSU College of Pharmacy

Dr. Moretz is a Clinical Pharmacy Specialist supporting the work of the DURM group. She develops criteria for prior authorization, assists in policy development, prepares Pharmacy and Therapeutics presentations, and mentors students and residents.

Harleen Singh, PharmD, BCPS, BCACP
Associate Professor
OSU/OHSU College of Pharmacy

Dr. Singh is Clinical Faculty at the OSU/OHSU COP. She is a heart failure specialist, with a practice site at the Portland Veterans Affairs Health Care System. Her practice interests include cardiology and teaching.

OSU/OHSU Family Medicine at Richmond
PGY-2 Ambulatory Care Residency

Current Resident
Joelle Ayoub, PharmD
PGY-2 at OSU/OHSU

Oregon State University/Oregon Health & Science University (OSU/OHSU) College of Pharmacy, in collaboration with OHSU Family Medicine at Richmond (FMR), is pleased to offer a Postgraduate Year Two (PGY-2) Ambulatory Care Pharmacy Specialty Residency Program. This program will prepare the resident for a position as an Ambulatory Care Clinical Pharmacy Specialist across a variety of practice settings. Through its partnership with OSU/OHSU College of Pharmacy, the residency is also well-positioned to prepare residents interested in pursuing a career in academia.

RESIDENCY SITES

The residency’s major training sites include:

- OHSU Family Medicine at Richmond
- OSU/OHSU College of Pharmacy

PROGRAM DETAILS

- **Program length:** 12 months (Beginning Monday following July 4)
- Benefits and travel allowance provided through OSU/OHSU and Family Medicine at Richmond

OHSU FAMILY MEDICINE AT RICHMOND

OHSU Family Medicine at Richmond is part of the OHSU School of Medicine's Department of Family Medicine, one of the nation’s most highly rated Family Medicine departments. We are a Federally Qualified Health Center, also known as a Community Health Center, working to serve an urban underserved population.

RESIDENCY FOCUS

- Manage chronic disease states (diabetes, hypertension, cardiovascular risk reduction, COPD) in an underserved population.
- Work as a member of an interdisciplinary care team through the use of collaborative practice agreements.
- Precept pharmacy students and take part in didactic teaching and small group facilitation at the OSU/OHSU College of Pharmacy.
- Complete a mentored, longitudinal research project with presentation opportunities at local, regional, and national meetings.

RESIDENT QUALIFICATIONS

- Graduate of an ACPE-accredited school or College of Pharmacy
- Doctor of Pharmacy (preferred)
- Licensed or eligible for licensure in Oregon
- National Resident Matching Program participant
- Completion of an ASHP-accredited PGY-1 Residency Training Program

PORTLAND HIGHLIGHTS

- Leave your car behind! Take advantage of Portland’s easy public transit system.
- The Portland Metro area is rich with parks, rivers, lakes, and recreational activities including hiking, fishing, boating, equestrian trails, and artisan markets.
- Portland is a known foodie town. Be sure to check out one of the many local restaurants down Division Street. We suggest Pok Pok, Pine State Biscuits, and Bollywood Theater.
- Portland is a prime location for weekend getaways and day trips. Drive 90 minutes to the West for the coastal views of Cannon Beach, or travel 90 minutes to the East for skiing at Mt. Hood.
- Work in the Robertson Collaborative Life Sciences Building, where the colleges of Pharmacy, Medicine, Nursing, and Dentistry all reside under one roof.
