Strategic Plan
2022 Proposed Revision

Background
The Vision, Mission, and Critical Factors for Success listed below were approved by College Council on October 24, 2018 based on the feedback and suggested revisions received from faculty members. These statements will serve as the foundation for the 2022 Strategic Plan and can be further refined as the College progresses through the development of the Strategic Plan.

Please use this form to put forth specific suggested priorities and strategies that you wish to have considered for inclusion in our new strategic plan. This form will be open through Dec 31, 2018 at which time the College Council will begin reviewing initial submissions and preparing them for faculty review and ranking.

Vision
Faculty, students, and alumni of the College of Pharmacy lead transformative advances in healthcare improving health and wellness through the discovery, translation, and application of research and scholarship.

Mission
To advance societal health and wellness through leadership in pharmacy education, research, community engagement, and patient care.

Critical Factors for Success
- Recruit and nurture diverse and high-achieving students, faculty, and staff to address the healthcare needs of a diverse population
- Create professional leaders who advance societal health by building a culture of critical thinking, evidence-based decision making, and interprofessional team-based patient care.
- Create scientific leaders whose innovative ideas and strategies advance new options to improve health
- Engage in and disseminate impactful scholarship, ranging from foundational research to applications in patient care to scholarship of teaching and learning.
- Equip students and faculty with academic, professional, and leadership skills required to compete successfully and sustain satisfaction, both personally and professionally
- Enhance alumni relationships through a partnership that assures continuing competence, awareness of contemporary practice issues, and engages alumni with faculty and current students for reciprocal benefits
- Establish key partnerships, collaborations and strategic alliances that will advance the mission of the College
- Be Oregon’s pharmacy resource advancing healthcare regionally, nationally, and globally.

You can contact Dr. Gary DeLander or Dr. Tanya Ostrogorsky if you have questions about this process.
